

GENO GRAND.ETH

NFT/WEB3 ADVISOR & BLOCKCHAIN
FRONT-END DEVELOPER

ABOUT ME

Keywords: Analytical, Intelligent, Helpful, Conscientious

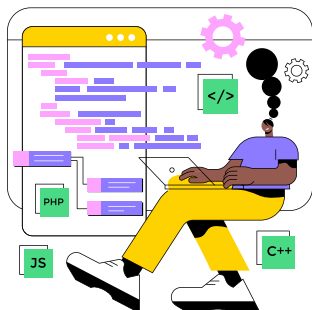

I am is an respectable, hard-working individual who has a love of knowledge and know-how.

I am someone who will bring creativity to a project. To work at my very best I need to have as much freedom as possible to develop my ideas. I have a strong need for freedom and desire to bring products of original ideas to life. I care about others and am easily touched by human suffering.
